Upcoming Events
10th June - Dinosaur Science show

Dear Parents/Carers
Student reports are being prepared by teachers and are due to be sent home in the next couple of weeks. Student reports are a record of your child's achievement in a semester of a school year. The information you receive in the report will add to the information already gained from the 3-Way Planning meetings.

Kind regards

Stephen de Roos

Cross Country
We had 18 students represent the school at Mullaley on Friday for Zone Cross Country. The children ran in difficult conditions with a very damp and muddy track, on a cold day. Brayden Sands, Cameron McCutcheon, Jazmyn Rumbel, Cobie Winsor, and Rheyce Adams all finished inside the top ten for their age group. We are proud of the effort of all students that participated.

Dinosaur Science
On Wednesday, 10th June, the school will be hosting a visiting show called Dinosaur Science in the school hall. The show will encourage students to think of how, from ancient bones, the incredible story of the dinosaurs has been discovered. It promises to provide loads of audience participation and will include huge scale models. Notes and money were due today.
